

Marion County Chamber of Commerce Gift Check Program

If you accept checks then this program is perfect for you and you will allow your business to collect funds immediately! All you have to do is accept the Chamber Gift Check and deposit it directly into your personal business account.

The Gift Checks are sold to businesses to give to their employees as bonuses, incentives or gifts. The Gift Checks are also available year-round and may be purchased by anyone. Any business wishing to purchase Gift Checks for their employees should contact the Chamber to place orders.

There isn't any cost associated with this program to participate, we are simply offering this as a benefit to our members. Businesses wishing to have their names printed on the Gift Check need to submit this form back to the Chamber office.

We hope this will continue to encourage businesses and residents to spend their money within Marion County!
